Dear Friends of Bawku,

I am writing with overwhelmed joy to express my gratitude for your incredible support in rebuilding Smile Brite Dental Clinic. Your generosity and kindness have been a beacon of hope and a testament to the power of friendship.

When the vehicle crushed on the clinic, it was as though my dreams and aspirations were crushed. But your swift response and contributions have helped me to rise from the ashes to build a better clinic in the North of Ghana. Your support has not only restored my clinic but also restored my faith in humanity.

Today, we officially opened the new clinic to the public, and I am deeply grateful for your unwavering belief in me and my mission to provide quality dental to the people of rural Ghana. Your support has made a tangible difference in the lives of many, and I am honoured to have friends like you who share my vision and values.

Thank you for your kindness, and support. I look forward to staying in touch and sharing more updates.

With sincere appreciation and warm regards,

Douglas Avoka.
